Subject: NEL Week 1 EDD

Kelley,

As per our phone call, here is the EDD. I did not get Cindy's message until week talked (I was working on this)

About the EDD.

The EDD was created from data contained in NEL's "Water Project Report, Week 1/Sample Batch 1" report dated 2/6/2012

I created it and double triple checked for errors but may have missed some. Please have your people check the data again before using

I could not read, from the COC, the time samples where received by the lab for samples FB01 and HW19. In the EDD, I entered the date but not the time.

The EDD is in the SCRIBE LabResultsEDD.csv format

Finally, and again, please check the EDD against the final report uploaded by CindyC.

Feel free to call me if you have any questions.

Fred
